## PSLE Score - Points to Note

- **PSLE Score** is the sum of the **four AL scores** across his/her Standard and Foundation subjects.
- Students taking **Foundation subjects are eligible for the Express Course**, as long as they meet the course placement criteria.
- With **Full Subject-based Banding** in secondary schools, students may also take subjects at a higher level for those that they are strong in.

## MTL Exemption

- For students who are exempted from MTL, their **PSLE result** slip will only **reflect the three subjects** they have taken.
- However, for the purposes of Secondary 1 posting, these students will need an assigned MTL score so that they have a PSLE score comprising four subjects.
  - MTL score - reference is made to MTL scores of other students who have achieved similar scores in English, Mathematics, and Science.
